## Lil Riders at Belle Wood

Are your little ones too small for our regular lesson program but are horse-crazy? Our little rider sessions have been developed and created with little riders in mind.

Gain confidence around ponies and begin to learn basic horsemanship skills including: how to lead a pony, how to groom a pony, safely giving treats to a pony, learning how to tack up, and practicing balance skills on the Rookie Rider barrel.

Each session also includes a leadline walk around on one of our ponies! Parents are asked to stay for the duration of the class.

\$45.00 plus HST for each session or \$120.00 plus HST for all three sessions. 6 Riders MAX per session.

March 2nd: 9:30-11:00

March 23rd: 2:00- 3:30

& April 6th: 9:30-11:00

Ages 3-7

## Camp Programs at Belle Wood

Join us for a week of horse filled fun! Campers participate in two daily riding lessons with our coaches & instructors, learn horsemanship and participate in fun activities and crafts!

Our coaches group campers according to their age and experience level- this allows for both beginners and intermediate riders the ability to enjoy camp!

Lessons will allow beginner riders to develop introductory walk/trot skills and gain confidence both on and around the horse. Riders with experience will work towards advancing and improving their current riding skill set and learning new horsemanship skills.

At Belle Wood, we focus on horsemanship activities and stable management to create a strong foundation for riders to work safely around horses, grooming techniques, the responsibility for daily horse care, how to look after tack and equipment and understanding how to properly handle and work around a horse.

Our camps follow vital points from the Equine Canada Learn to Ride Program (See our Lessons page for a link to learn more about this program).
