What is the difference between our winter shows and summer shows?

Our Winter Show Series was created to allow riders to work on their skills and development for the 2025 show season! For riders on new leases or moving up a division from last year, this gives them time to develop new skills and partnerships. For riders who haven't shown before, this is a great time to learn!

The Winter Shows will be hosted in the Indoor Arena and will not have year-end ribbons or point accrual.

These shows are open to off-property competitors.
